

**Who must make estimated payments?**

If you are a corporation (other than an S corporation), you must make payments of estimated tax if you reasonably expect your income and replacement tax liability to exceed the amount that will be credited against that liability by **more than \$400**. You should complete the worksheet in Step 1 to figure your estimated tax for 2007 and to determine if you are required to make estimated tax payments.

**Note** It is your duty as a taxpayer to obtain forms. Failure to obtain them is not an excuse for failure to file returns as required by law.

**When should I file and pay?**

The due dates for filing your estimated payments are the 15th day of the 4th, 6th, 9th, and 12th month of your tax year. Attach each payment to the voucher, Form IL-1120-ES. Do not send estimated tax payments with your Form IL-1120, Corporation Income and Replacement Tax Return. If you make your payments by EFT, **do not** send us your IL-1120-ES forms.

Make your check or money order payable to "Illinois Department of Revenue."

**Where should I file?**

You should mail your vouchers, with your payment, to

**ILLINOIS DEPARTMENT OF REVENUE  
PO BOX 19045  
SPRINGFIELD IL 62794-9045**

**Do not** send payments to commercial bank depositories as designated by the Internal Revenue Service.

**What if I am a unitary filer?**

Unitary business groups must make estimated payments on a combined basis (under the designated agent's federal employer identification number (FEIN) only). For further information about designated agents or combined estimated payments, refer to Illinois Income Tax Regulations, Sections 100.5220 and 100.5230, respectively.

**What if I do not make my payments?**

If you do not pay the required estimated payments on time, you may be assessed a **late-payment penalty**. We will apply each payment to the earliest due date until that liability is paid, unless you provide specific instructions to apply it to another period.

You may also be assessed a **bad check penalty** if your remittance is not honored by your financial institution.

For more information about penalties and interest, see Publication 103, Uniform Penalties and Interest. To receive a copy of this publication, call 1 800 356-6302.

Complete this worksheet to compute your 2007 estimated tax. Keep this record for your files.

- 1 Write the amount of Illinois net income expected in 2007.
- 2 Multiply Line 1 by 7.3% (.073) and write the result.
- 3 Write the amount of Illinois tax credits expected in 2007.
- 4 Subtract Line 3 from Line 2 and write the result. This is the amount of unpaid estimated tax for 2007. If \$400 or less, stop. You do not have to make estimated tax payments. If more than \$400, continue to Line 5.
